

I like apples **and** oranges.

I like apples **but** I don't like oranges.

Do you like apples **or** oranges?

I don't like apples **or** oranges.
(*I don't like apples and I don't like oranges)

I like apples **and** oranges.

I like apples **but** I don't like oranges.

Do you like apples **or** oranges?

I don't like apples **or** oranges.
(*I don't like apples and I don't like oranges)
